Mysore District.

Subject and Name of Member introducing it.	Summary of discussion.	Reply of Govt.
Subject No. 409. **Water-Supply to Seringapatam and Ganjam.** **Mr. Mailariya, Pleader, of the Seringapatam Municipality.**	The towns of Ganjam and Seringapatam are in need of good water for drinking purposes. Early sanction of the project prepared by the Sanitary Engineer is prayed for.	Referred to D. P. W.
Subject No. 410. **Water-supply to Malvalli.** **Mr. Shankarappa of Malvalli Municipality**	A small katte is now supplying the town with water, but it is not sufficient. There is a large tank called Marehalli tank to the south of Malvalli within a distance of three miles. A channel may be opened to feed this katte from the tank which is to be fed from the river Cauvery.	Do.
Subject No. 411. **Repairs of Virjanadi channel.** **Mr. Gopa Setty, Mysore Taluk.** **Mr. Gurulinge Gauda, Seringapatam Taluk.**	The Virjanadi channel may be repaired, so that the lands thereunder may receive the necessary supply of water.	Do.
Subject No. 412. **Repairs of the settling tanks of the Vani vilas Water Works.** **Mr. H. Chandrasekaraiya** **„ M. Venkatakrishnaiya.** **„ M. Anantharajaiya** **„ H. Krishna Rao,** **Mysore Municipality.**	The settling tanks of the Vani-Vilas Water Works may be repaired so as to prevent leakage. Till then the Board should not be called upon to pay maintenance charges.	To the D. P. W. for needful.
